Ashford traditional spinning wheel manual

Size exchange requests are subject to availability of stock. Should your size request be unavailable a refund will be provided. Returns must be made within a month, in as new condition with tags attached, unless faulty. Due to health regulations, we are unable to exchange or refund on any underwear, earring or alike purchases unless faulty within the warranty period. We recommend sending returns via registered post as we do not accept responsibility for lost items. When goods are returned within warranty period, and the product is no longer available or repairable, The Wool Room will replace with equal or similar product and if not possible, offer a credit/refund at the current market value less our restocking fee solely at our discretion. ASHFORD TRADITIONAL SPINNING WHEEL Ashford Handicrafts Limited Factory and Showroom: 415 West Street PO Box 474, Ashburton 7700 New Zealand Telephone 64 3 308 9087 Facsimile 64 3 308 8664 Email: sales@ashford.co.nz Internet: www.ashford.co.nz INSTRUCTIONS SINGLE DRIVE Ashford Guarantee Thank you for purchasing this Ashford product. In the unlikely event there is any fault in manufacture we will replace the item. To validate our guarantee please visit our website or write to us, TDSW110618V11 Size exchange requests are subject to availability of stock. A wheel before repairs After The Traditional is a very popular wheel for new spinners. They have been made for many years which means second hand wheels are easy to find at affordable prices and with just a few dollars and a spare hour or two (sometimes less) they can be reconditioned to work almost like new. For this tutorial I'm going to assume that you have purchased a wheel with no missing parts, and one that has a well balanced wheel with no loose joints. (If you do have parts missing on your wheel, they can be purchased from Ashford Handicrafts but you should take the cost of these replacement parts into consideration when deciding what you are willing to pay for the wheel). You will need: An Ashford maintenance kit Wax for lubricating the flyer bearings (if needed) A pair of scissors (to cut the brake band to length) A screwdriver to fit the screws on your wheel A couple of soft cloths or clean rags Furniture wax or polish (or wood oil if the wood is very dry) If your wheel has any rust you will also need some wet and dry paper and a few drops of olive oil ASHFORD TRADITIONAL SPINNING WHEEL Ashford Handicrafts Limited Factory and Showroom: 415 West Street PO Box 474, Ashburton 7700 New Zealand Telephone 64 3 308 9087 Facsimile 64 3 308 8664 Email: sales@ashford.co.nz Internet: www.ashford.co.nz INSTRUCTIONS SINGLE DRIVE Ashford Guarantee Thank you for purchasing this Ashford product.
